## A MESSAGE FROM ROB.

The month of February is all about love, and at The Wilhite Law Firm, we're reminded how much we value the people we serve. We are truly grateful for the trust our clients place in us during some of life's most difficult moments. It's an honor to stand beside you, advocate for you, and support you every step of the way. Thank you for allowing us to do the work we care so deeply about

### Quick Safety Tip

As days slowly get longer, stay alert during evening drives! Dusk is one of the most common times for accidents.

## BLOG POST

## VERDICT VICTORY!

Our client was struck by a truck while stopped in construction traffic, resulting in permanent, life-changing injuries. After the defense's final offer of \$250,000, our trial team took the case to court and the jury returned a 3.2 million dollar verdict. This result reflects our commitment to standing up to insurance companies and fighting for full and fair compensation for injured Coloradans. Congratulations to Paula Slaughter and Sandra Hagen for this courtroom victory!

## ROSES WITH MR. ROSE

This Valentine's Day, our team at the Wilhite Law Firm was reminded that strong results start with caring people. In true Wilhite fashion, our firm's Vice President, Richard Rose, surprised the team with roses, cookies, and a few Polaroid moments to celebrate the day. As a Colorado personal injury law firm, we know that the care and commitment we show our clients begins with the culture we build internally. At Wilhite, it's always about people in the office and in the courtroom.

## VALENTINES DAY AT WILHITE!

This Valentine's season, we want to take a moment to say how much we truly appreciate our team. We're proud to work alongside people who care deeply about our clients and about each other. Simply put — we love this team, and we're grateful for all that they do!

# ST. PATRICK'S DAY RIDESHARE

To help keep our community safe this St. Patrick's Day, The Wilhite Law Firm is offering our St. Patrick's Day Rideshare Reimbursement Program.

St. Patrick's Day brings a noticeable increase in impaired driving across our communities. To encourage responsible celebrations and safer roads, we're offering \$20 in Uber or Lyft reimbursement for those who choose a safe ride home.

How it works:

- Take a safe ride home using Uber or Lyft
- Save your ride receipt
- Submit it through our website to request reimbursement

Our goal is simple: fewer accidents, safer roads, and a safer St. Patrick's Day for everyone.

Plan ahead, celebrate responsibly, and never drive impaired.

Thank You!
