A MESSAGE FROM ROB.

April was a great and productive month for our team. We had the opportunity to be involved in meaningful community initiatives, celebrate moments together internally, and continue securing strong results for our clients both in and out of the courtroom. I'm proud of the work our team is doing every day and grateful for the trust our clients and community place in us.

Quick Safety Tip

Put your phone on "Do Not Disturb," set everything before you drive, and stay fully focused—because even a few seconds of distraction can lead to a serious accident.

NOMINEE FOR OUTSTANDING CLAIMANT'S ATTORNEY OF THE YEAR!

We're proud to recognize the incredible work of Katie Roberts—congratulations to her for being nominated by the Professionals in Workers' Compensation as "Outstanding Claimant's Attorney of the Year"! This recognition is a testament to her dedication, expertise, and commitment to advocating for her clients.

DISTRACTED DRIVING AWARENESS MONTH

April was Distracted Driving Awareness Month, and our firm was proud to help raise awareness about this critical issue throughout the month. Staying focused behind the wheel is one of the simplest ways to prevent serious accidents! If you missed it, we encourage you to check out our blog for additional resources and important information on how to stay safe on the road!

EASTER AT THE CO & TX OFFICES

Easter at Wilhite was such a fun and special time for our team this year. Our offices in both Colorado and Texas came together to celebrate with festive Easter egg hunts, bringing a little friendly competition and a lot of laughter to the workday.

It was great to see everyone step away from their desks, enjoy the moment, and connect with one another in a lighthearted way. We truly value time spent together as a team, and events like this are a reminder of how important that is to our culture. From exciting prizes for our amazing staff to wrapping up the day with a fun happy hour in both offices, it was a celebration filled with appreciation, connection, and plenty of smiles.

BERKELEY LAKE PARK CLEAN UP

Our team rolled up their sleeves and got to work on a variety of projects, including mulching tree rings, general park clean-up, and helping improve the overall appearance of the area. It was truly a hands-on effort, and everyone showed up ready to make a difference.

EARTH DAY!

Earth Day at Wilhite was an incredible reminder of the impact we can make when we come together as a team. This year, we partnered with the City of Denver Parks and Recreation to spend the morning giving back at Berkeley Lake Park. It was a beautiful day to be outside, and even better knowing we were contributing to a space so many in our community enjoy.

Seeing the immediate results of our work made the experience even more rewarding. More than anything, it was a great opportunity for team bonding while supporting a meaningful cause. We're proud to partner with organizations like Denver Parks and Recreation and look forward to continuing to find ways to give back to our community in impactful ways.

CELEBRATING 25 YEARS AT WILHITE!

We are proud to celebrate Claudia on her 25th work anniversary with The Wilhite Law Firm. As one of our Managing Paralegals, Claudia has been an integral part of the team, working with Katie Roberts in the Workers' Compensation and Social Security Disability department. Her dedication has made an impact on both our firm and the many clients she has supported throughout her career.

WE APPRECIATE YOU, CLAUDIA! ♡

Claudia is known for her kindness, loyalty, and unwavering advocacy, and she is an incredible coworker who consistently shows up with compassion and professionalism. We are so grateful for everything she brings to the team and honored to celebrate this milestone with her.

CINCO DE MAYO PARADE & RIDESHARE

Cinco de Mayo is coming up, and we'll be out at the parade here in Denver! We love being part of such a vibrant community celebration and connecting with everyone in person. We're also continuing our rideshare program from May 2–May 5, offering \$20 reimbursements to help you celebrate safely—be sure to plan ahead and take advantage!
