## A MESSAGE FROM ROB.

July is one of my favorite times of the year because it reminds me how much our communities come alive. At The Wilhite Law Firm, we strive to be more than just a local law firm—we want to be a partner, a resource, and a positive presence in the neighborhoods we serve. This month's newsletter celebrates just that. You'll read about a recent case victory, some exciting community initiatives, and opportunities to make a difference alongside us. Thank you for your continued trust and support.

### Quick Safety Tip

Always buckle up—it's the simplest step you can take to protect yourself and your passengers on every trip.

## JULY 4<sup>TH</sup> AT BELMAR BASH!

We had a fantastic time celebrating Independence Day at Belmar Bash alongside our radio partner, MIX 100! It was a great opportunity to connect with the community, hand out swag, and promote our Holiday Rideshare Program. We were thrilled to see so many people stop by our booth and learn about our rideshare initiative, helping everyone celebrate safely this holiday.

## I HAVE A DREAM FOUNDATION GOLF EVENT IN BOULDER

This year marked our first partnership with the I Have A Dream Foundation and we were honored to participate as the Swag Bag Sponsor at their annual golf tournament.

It was an incredible day spent supporting an organization dedicated to empowering local students through long-term educational opportunities and mentorship. We're grateful to be part of their mission and look forward to continuing this partnership in the future.

## DAY OF RESILIENCE

The Wilhite Law Firm was honored to support this year's Day of Resilience as a Chalk Art Sponsor. This meaningful community event brings people together to honor the victims, survivors, first responders, and everyone impacted by the Aurora Theater tragedy while celebrating the strength and resilience of our community. We're proud to stand alongside local organizations that continue to inspire hope and healing.

## TITAN 100

Congratulations to Robert Wilhite on being named a 2026 Dallas-Fort Worth Titan 100 Honoree! The Titan 100 recognizes the region's top CEOs and C-level executives who demonstrate exceptional leadership, vision, and integrity while making a lasting impact in their industries and communities. We're incredibly proud to see Rob recognized among Dallas-Fort Worth's most accomplished business leaders and look forward to celebrating this well-deserved honor in October.

## WLF BACK-TO-SCHOOL BACKPACK DRIVE

The Wilhite Law Firm is proud to launch our Back-to-School Backpack Drive benefiting students at College View Elementary School. Our goal is to collect 150 brand-new backpacks to help students start the school year feeling prepared and confident. We'll also be donating classroom supplies and joining the school's Back-to-School Festival to celebrate with students, families, and staff.

## WHY COLLEGE VIEW ELEMENTARY

Our partnership with College View began earlier this year through a first aid kit donation, and we quickly fell in love with their mission. The school is committed to ensuring every student has the tools they need to succeed, even providing classroom supplies so families don't have to shoulder that expense. We're honored to continue supporting a school that puts students and community first.

## HELP US REACH OUR GOAL!

Want to help? Backpacks can be dropped off at The Wilhite Law Firm's main office, 1600 N. Ogden Street, Denver, CO 80218, where you'll find a donation bin conveniently located in our lobby. Every backpack donated helps a child start the school year prepared, confident, and ready to learn.
