

THE WILHITE LAW FIRM

MARCH NEWSLETTER

A MESSAGE FROM ROB.

With warmer weather bringing more travel, outdoor activity, and time on the road, it's also an important reminder to stay aware and prioritize safety. At The Wilhite Law Firm, we remain committed to helping individuals and families across Colorado after car accidents, injuries, and unexpected events. We're grateful for the trust our clients place in us and look forward to continuing to serve our community in the months ahead.

Quick Safety Tip

Spring driving conditions can be unpredictable—slow down in wet weather, watch for cyclists and pedestrians, and give yourself extra time to react to help prevent accidents.

SETTLEMENT SPOTLIGHT!

A serious motor vehicle accident can change everything but the right legal representation can make all the difference. After a life-altering crash, our client faced significant challenges. Through strategic negotiation and relentless advocacy, Rob Wilhite and Sandra Hagen secured a \$2.5 million settlement at mediation, ensuring our client received the compensation she deserved. If you or a loved one has been injured in a car accident, understanding your rights is the first step. Our team is here to help you navigate the process and pursue full and fair compensation.

CARE ACROSS THE AGES CONFERENCE WITH THE BIAC

We are proud to be a continued sponsor and partner of the Brain Injury Alliance of Colorado (BIAC), an organization doing incredible work to support individuals and families impacted by brain injuries. Each year, we look forward to being part of their events and initiatives that focus on education, advocacy, and community support. At The Wilhite Law Firm, supporting people after an injury goes beyond the courtroom and our partnership with BIAC reflects our commitment to making a meaningful impact across Colorado.

ST. PATRICKS DAY AT WILHITE & RIDESHARE PROGRAM

Our St. Patrick's Day Rideshare Program was a great success again this year, and we're grateful to everyone who chose to celebrate safely.

We are proud to offer a \$20 Uber or Lyft ride reimbursement to help reduce impaired driving and keep our community safe. Initiatives like this are a key part of our mission—supporting safer roads while providing resources to those who need them most.

WE LOVE OUR CLIENTS!

One of the most rewarding moments for our team is when clients come into our office to pick up their settlement check and officially close out their case. After everything they've been through, it's a chance to celebrate the outcome, connect in person, and help them move forward with confidence.

We also like to make that moment special by providing a small thank-you gift. Our clients are at the center of everything we do, and we truly appreciate the trust they place in us.

CLIENT VISITS

Welcoming clients into our office is always a highlight—it's where the hard work comes full circle. These moments allow us to ensure every client feels supported, informed, and taken care of as they move forward after an accident or injury.

We also love hearing about our clients' experiences. Your feedback not only means a lot to our team, but helps others looking for a trusted personal injury law firm feel confident choosing us.
