

THE WILHITE LAW FIRM

MAY NEWSLETTER

A MESSAGE FROM ROB.

May was another exciting and impactful month for our team at The Wilhite Law Firm. From meaningful community initiatives and local events to securing significant wins for our clients, I'm incredibly proud of the work our team continues to do both inside and outside the office.

Thank you to our staff, clients, and community partners for your continued trust and support. We're grateful for every opportunity to advocate for our clients and give back to the communities we serve.

Quick Safety Tip

Never leave children or pets in a parked car—even for a few minutes. Temperatures inside a vehicle can rise dangerously fast, even on mild days.

SETTLEMENT SPOTLIGHT: \$2.2 MILLION BICYCLE ACCIDENT

We recently secured a \$2.2 million settlement on behalf of a client who was seriously injured in a bicycle accident. The client was lawfully riding in a designated bike lane when a vehicle crossed through an intersection and struck them, resulting in severe injuries and multiple surgeries. This case highlights the devastating impact bicycle accidents can have and the importance of holding negligent drivers accountable. We remain committed to advocating for injured cyclists across Colorado and helping clients navigate the road to recovery after life-changing accidents.

FURRY SCURRY!

Furry Scurry is always one of our favorite community events of the year, and we had such a great time being back again this year with Humane Colorado! Our team was onsite throughout the event connecting with members of the community, meeting lots of adorable dogs, and enjoying such an incredible atmosphere filled with animal lovers from across Colorado.

We're proud to continue supporting Humane Colorado and always appreciate the opportunity to be part of an event that does so much good for animals in our community.

WORKING WITH HUMANE COLORADO

Our partnership with Humane Colorado continues to be one of the most meaningful community relationships we're involved in. From local events to ongoing support initiatives, we're proud to work alongside an organization dedicated to improving the lives of animals and the families who love them. We're grateful for the opportunity to continue supporting their mission and community impact.

ROB TAKES ON THE LONDON MARATHON!

Our owner Rob Wilhite took on the incredible challenge of running the London Marathon! From early mornings and months of training to crossing the finish line in one of the world's most iconic races, we're proud to celebrate his huge accomplishment. Rob's dedication, perseverance, and determination are qualities he brings not only to marathon running, but also to serving our clients and leading our team every day.

CHARITY GOLF TOURNAMENTS!

This month, our team has had the opportunity to participate in two incredible charity golf tournaments throughout Colorado.

We always value opportunities like these because they allow our team to connect with the community outside of the office, support organizations making a positive impact, and continue building relationships throughout Colorado. From supporting children and education initiatives to organizations helping individuals and families affected by brain injuries, these events are a great reminder of how important community involvement is to our firm.

CATHLEEN'S CAUSE & EAGLE INVITATIONAL

Our team was proud to participate in both the Cathleen's Cause Golf Tournament and the Eagle Invitational this season. The Cathleen's Cause tournament supports the Brain Injury Association of Colorado, while the Eagle Invitational benefits Graland Country Day School and its student-focused programs and initiatives.

These events gave our team the opportunity to support two amazing organizations, connect with community partners, and represent the firm in a fun and meaningful way.

SUMMER KICKOFF BBQ AT THE WLF!

We kicked off the summer season with a fun Memorial Day weekend BBQ at the office! Staff gathered together to enjoy great food, spend time outside, and celebrate the start of summer with the team. A special shoutout goes to Jose, who took over grill duty for the event and kept everyone well fed throughout the afternoon. It was a great opportunity for everyone to step away from their desks, connect, and enjoy time together outside of the day-to-day work.

CINCO DE MAYO PARADE!

Our team had an amazing time being part of this year's Cinco de Mayo Parade in Denver! We love participating in events that celebrate the incredible culture, energy, and community that make Denver so special. From connecting with attendees along the parade route to handing out our famous hot sauce bottles and sharing information about our rideshare program, it was such a fun and meaningful day for our team.

We're proud to continue supporting events that bring the community together and look forward to being part of this celebration each year.

Cinco de Mayo was such a fun and exciting weekend for our team! We were proud to be part of the parade and loved seeing so many staff members come out to represent the firm and connect with the community. A huge shoutout to our Intake Manager, Brad Londer, for putting together an amazing float that truly helped bring the energy and spirit of the celebration to life!!

UPCOMING RIDESHARE DATES

Our Holiday Rideshare Program will continue throughout the year during select holidays and community events to help encourage safe celebrations and responsible transportation. Through the program, we provide \$20 rideshare reimbursements to help reduce impaired driving during some of the busiest times of the year.

Upcoming Rideshare Dates:

- Fourth of July: 7.3.26 – 7.4.26
- Labor Day Weekend: 09.05.26 – 09.07.26

Visit [WilhiteWins.com](https://www.wilhitewins.com) for program details, eligibility, and how to claim your ride.
